More...

- Affordable housing with long term planning.
- Support all riders' safety.
- Keep our local businesses thriving.
- Define our city's identity and defend our characters.

Inclusion

- Cambridge must be an anti-racist city.
- Our foreign language schools shall teach in Cambridge.
- We will have benign crisis responses.

Livable City

- No social policies should displace our residents.
- Cambridge should continue being the innovation force that transforms the world.
- We should celebrate our history and arts.
- Let us bike safely!

Clean Energy

- Let us build level 3 fast chargers in public parking spaces.
- We should not force conversion to electrification.
- We will implement electricity peak shaping solutions.

Competent Government

- We need transparency, high-performance, and high efficiency.
- Better governmental customer services to all residents.
- Let data speak volume.
- Explore AI solutions to alleviate the burden on our doctors and city workers.
